TRAFFIC ALERT: Lick Run Greenway

Lick Run Way Closing Thursday, July 5 for about three weeks

CINCINNATI – Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in early July 2017 and will continue through fall 2019. The \$89.9 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

This project will impact traffic in South Fairmount throughout the course of construction, including full road closures and lane restrictions. *All work is weather and schedule dependent.* A breakdown of the latest traffic pattern changes is below:

Traffic Pattern Change – Closure of Lick Run Way

Lick Run Way – located off the Queen City Bypass in South Fairmount - will fully close to traffic on the morning of Thursday, July 5. The roadway will remain closed for approximately three weeks to install pipe.

Access to and from residential homes off (old) Queen City Avenue will be from the intersection of the Queen City Bypass and (old) Queen City Avenue.

Please see the attached map for location of the road closure.

Plan for Delays, Drive with Caution, or Find an Alternate Route

Project construction and utility relocations have resulted in numerous concurrent lane restrictions and road closures in the South Fairmount area that are impacting Queen City Avenue, Westwood Avenue, and most cross streets (see list below).

If you are driving in the area, please plan for delays and drive with caution. Better yet, find an alternate route.

Sign up for project & traffic updates at MSD.Communications@cincinnati-oh.gov.

Current Traffic Pattern Changes

The following traffic pattern changes are currently in place:

- Closure of southbound State Avenue between the ramp from Harrison Avenue and Queen City Avenue.
- Closure of northbound Harrison Avenue between Westwood and Queen City avenues.
- Closure of Grand Avenue between Westwood and Queen City avenues.
- Closure of Kebler Street between Westwood and Queen City avenues.
- Closure of Van Hart Street between Westwood and Queen City avenues.
- A new cross street – the Van Hart Bypass - is open between Westwood and Queen City avenues.
- Various temporary lane restrictions in the project area for the relocation of utilities and/or construction of new sewer segments.
