## **TRAFFIC ALERT: Lick Run Greenway**

*Closure of Southbound Lanes of Harrison Avenue in South Fairmount  
on October 19 and 20*

CINCINNATI – Construction of the nationally recognized Lick Run Greenway project in South Fairmount began in July 2017 and will continue into spring 2020. The \$90 million Greenway includes a mile-long bioengineered creek in a park-like setting through the valley corridor.

This project will impact traffic in South Fairmount throughout the course of construction, including full road closures and lane restrictions. *All work is weather and schedule dependent.* A breakdown of the latest traffic pattern changes is below:

### **Traffic Pattern Change on Harrison Avenue**

The southbound lanes of Harrison Avenue between Tremont Street and Queen City Avenue in South Fairmount will close to thru traffic from ~6 p.m. Friday, October 19 through ~6 p.m. on Saturday, October 20 for construction-related work, pending weather and field conditions. Traffic will be detoured via Tremont Street.

Access to residences in this area will be maintained, but could be delayed at times.

*Please see the attached location map for more details.*

### Location Map:

**All Traffic Pattern Changes Currently in Place:**

The following traffic pattern changes are currently in place. If you are driving in the area, please plan for delays, drive with caution, or find an alternate route.

- Closure of southbound State Avenue between the ramp from Harrison Avenue and Queen City Avenue. The northbound lane is open.
- Partial opening of new Harrison Avenue between Westwood and Queen City avenues. Two southbound lanes and one northbound lane (from the lower deck of the Western Hills Viaduct) are currently open.
- Closure of Grand Avenue between Westwood and Queen City avenues.
- Closure of Quebec Road between Westwood and Queen City avenues.
- Continuous left turn onto Westwood Avenue from White Street. No left turns from Westwood onto White Street.
- Various temporary lane restrictions along Queen City Avenue, Westwood Avenue, and adjacent streets for the relocation of utilities and/or construction of new sewer segments.
