## Traffic Alert Update – Northside

Closure of Kirby Avenue to Thru Traffic January 4-7

CINCINNATI – Kirby Avenue between Ashtree Drive and W. North Bend Road will close to thru traffic at 9 a.m. Friday morning, January 4, 2019. Glenview Avenue between Belmont and Kirby avenues will also close to thru traffic due to the construction on Kirby.

Kirby and Glenview are expected to re-open at or before 5 a.m. Monday morning, January 7, 2019, pending weather and field conditions.

There will be a full road closure at 4932 Kirby Avenue. Local traffic will be maintained on both sides of the closure.

*Please see the attached project map.*

The Metropolitan Sewer District of Greater Cincinnati (MSD) and its contractor, Howell Contractors, Inc., are installing a 12-inch-diameter sanitary sewer along Kirby Avenue.

This effort — part of the West Fork Project — will help reduce combined sewer overflows (CSOs) into the West Fork Creek, a tributary of the Mill Creek.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or [MSD.Communications@cincinnati-oh.gov](mailto:MSD.Communications@cincinnati-oh.gov) or visit [www.projectgroundwork.org/westfork](http://www.projectgroundwork.org/westfork).
