## **TRAFFIC ALERT**

### **Lane Restrictions on Foraker Avenue near intersection of Alms Place ~Starting July 24 through early August**

CINCINNATI – Temporary lane restrictions will occur on Foraker Avenue near the intersection of Alms Place in the Walnut Hills neighborhood beginning July 24 through early August.

The project, known as Foraker Avenue Sewer Replacement, is located between 1152 Foraker Avenue and 1226 Lincoln Avenue. As part of the project, the Metropolitan Sewer District of Greater Cincinnati (MSD) will be installing 45 linear feet of 6-inch diameter sanitary sewer lateral. In addition, we will also be abandoning two segments of combined sewer pipe that are structurally in poor condition.

Temporary lane restrictions will occur along Foraker Avenue in the vicinity of the construction. Access to homes and businesses will be maintained, but could be delayed at times.

Please see the attached project map for details.

MSD's construction contractor is Larry Smith Incorporated. Construction activity is anticipated between 7:00 a.m. and 5:30 p.m. Monday through Friday.

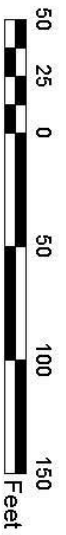

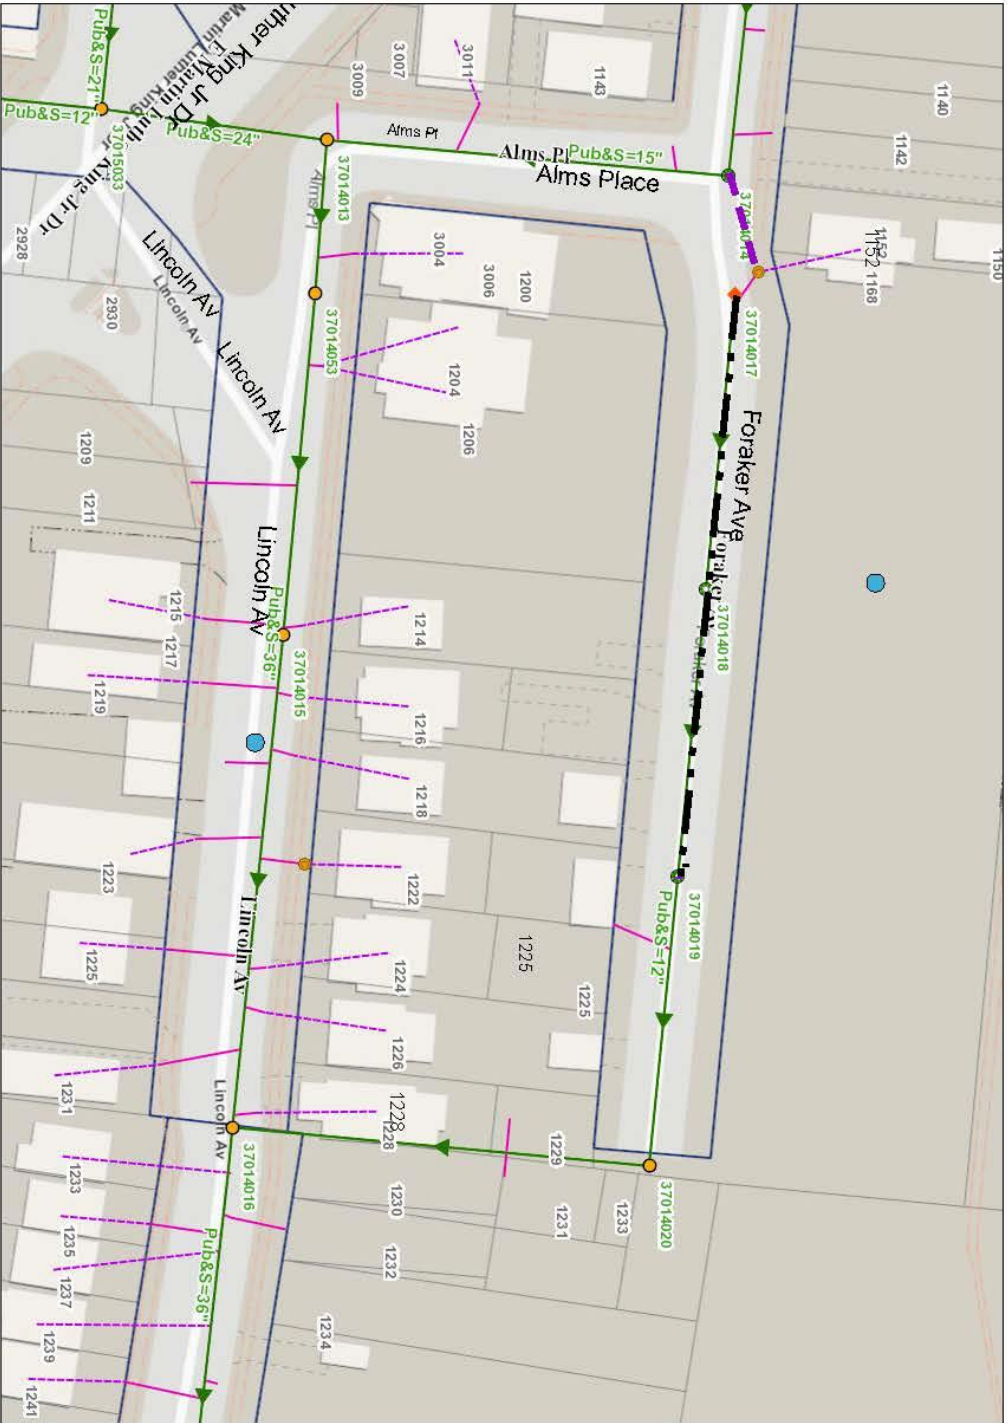

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will protect public health, improve our local streams and rivers and enhance our communities.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or [MSD.Communications@cincinnati-oh.gov](mailto:MSD.Communications@cincinnati-oh.gov).
