### **TRAFFIC ALERT: Repaving of Guerley Road**

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will be repaving Guerley Road in West Price Hill in April.

The road will be closed for up to two days between the West Pointe Townhomes and Dunham Way. *Please see attached map.* The work will occur between April 3 – 17, depending on the weather. MSD will provide updates via social media when an official start date has been determined.

The entrance to Dunham Recreation Center will remain open.

The repaving is being done as the final step in a construction project completed by MSD this past fall. New storm sewers were installed along Guerley Road, Sunset Avenue/Rapid Run Pike, and Sunset Lane as part of the ongoing Lick Run Project.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or [MSD.Communications@cincinnati-oh.gov](mailto:MSD.Communications@cincinnati-oh.gov) or visit [www.projectgroundwork.org/lickrun](http://www.projectgroundwork.org/lickrun).
