Traffic Alert – Delhi Township

Portion of Mayhew Avenue Closing to Traffic on July 19 for about Three Months

CINCINNATI – Mayhew Avenue between Leath Avenue and Delhi Pike in Delhi Township will be closed to all traffic for about three months beginning July 19, pending weather and field conditions. See enclosed map for details.

The Metropolitan Sewer District of Greater Cincinnati (MSD) and its contractor, Smith and Brown Contractors, are replacing an existing sewer that has deteriorated. Sewer construction activities are anticipated to start Monday, July 12, and the project is anticipated to be completed by spring 2022, pending weather and field conditions.

Construction activities will occur generally between 7:00 a.m. and 5:00 p.m. Monday through Friday.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

For additional information about the MSD sewer construction project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
