MSD Notice of Construction

MSD to Replace Sewers between Pardee Alley and W. 8th Street Late May – Fall 2020

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will begin a sewer replacement project in Lower Price Hill starting the week of May 26. The work should be completed by this fall, pending weather and field conditions.

MSD will be abandoning an existing combined sewer and constructing a new storm sewer between Pardee Alley and W. 8th Street. *Please see the attached project map.*

MSD's contractor is Ford Development Corporation. Construction activities will occur generally between 7:00 a.m. and 5:30 p.m. Monday through Thursday.

Pardee Alley will be open to local traffic, and W. 8th Street will maintain traffic flow with lane restrictions. Lane restrictions will occur between the hours of 9 a.m. and 4 p.m. Lane restrictions will be lifted after 4 p.m. nightly and generally all day on weekends. Please plan accordingly to avoid delays.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

For additional information about the MSD project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
