CINCINNATI – Quebec Road in West Price Hill will be closed to thru traffic from 7:00 a.m. until 6:00 p.m. weekdays from Monday, January 13 through the end of February, pending weather and field conditions. Please see the attached project and detour map.

The Metropolitan Sewer District of Greater Cincinnati (MSD) and its contractor, SmithCorp Inc., are replacing a deteriorated 12-inch combined sewer between 1631 and 1641 Quebec Road and constructing a new 15-inch storm sewer.

Construction activity will begin December 18 and should be completed by June 2020, pending weather and field conditions.

Construction activities will occur generally between 7:00 a.m. and 6:00 p.m. Monday through Friday. Typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.
