TRAFFIC ALERT

Lane Restrictions on Stewart Road in Columbia Township

CINCINNATI – Lane restrictions will occur in the construction zone along Stewart Road between 5706 and 5726 Stewart Road in Columbia Township beginning September 10 through October 2018, weather permitting.

The Metropolitan Sewer District of Greater Cincinnati (MSD) and its contractor, Rack and Barlauer Contractors will be installing a new sewer to service homes located at 5706 and 5710 Stewart Road.

Please see the attached map.

Construction activities will occur generally between 7:00 a.m. and 5:30 p.m. Monday through Friday. Some weekend work may be necessary at times.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will improve the quality of our lives through cleaner streams, improved protection of public health, and enhancement of the communities where we live, work, and play.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
