Traffic Alert UPDATE ***Lane Restrictions on Werk Road in Green Township***

CINCINNATI – Lane restrictions will occur along Werk Road in the construction zone between 5518 and 5586 Werk Road in Green Township beginning November 7 through March 2019, weather permitting.

The Metropolitan Sewer District of Greater Cincinnati (MSD) and its contractor, Welsh Excavation Company, will be installing a new sewer to provide sewer service to twelve benefitted properties along Werk Road.

Please see the attached map.

Construction activities will occur generally between 7:00 a.m. and 5:30 p.m. Monday through Friday. Some weekend work may be necessary at times.

Impacts to traffic are expected. Access to local traffic will be maintained but could be delayed at times. Please plan accordingly.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

This project is part of Project Groundwork, MSD's multi-year plan to reduce sewer overflows into streams and rivers in Hamilton County. Project Groundwork will improve the quality of our lives through cleaner streams, improved protection of public health, and enhancement of the communities where we live, work, and play.

For additional information about the project, please contact MSD Engineering Customer Service at (513) 557-3594 or MSD.Communications@cincinnati-oh.gov.
