Notice of Construction and Traffic Alert for Clifton Heights, University Heights, and Fairview (CUF)

Northbound Central Parkway down to one lane for about 2-3 months

CINCINNATI – Traffic impacts will occur along Central Parkway in the CUF neighborhood starting the week of April 7 for about 2-3 months as the Metropolitan Sewer District of Greater Cincinnati (MSD) begins replacing an existing deteriorated sewer line. The project is expected to be completed by or before September 2025, pending weather and field conditions.

Please see the attached project map.

During construction, northbound Central Parkway, north of W. McMillan Street, will be reduced to one lane. The bike path will remain open but will be shifted to the west.

MSD's contractor, SmithCorp Inc., will be constructing about 170 feet of 15-inch-diameter sewer line. SmithCorp will generally work 7:00 a.m. – 5:00 p.m. Monday through Friday.

For additional information about the MSD project, please contact MSD Customer Service at (513) 244-1300 (option 5) or MSD.Communications@cincinnati-oh.gov and reference Project ID# 10240545.
