### **Notice of Construction and Traffic Alert for Columbia Township**

*Muchmore Road closed to thru traffic and Walton Creek Road down to one lane  
for about 60 days starting in mid to late June*

CINCINNATI – Traffic impacts will occur along Muchmore and Walton Creek roads in Columbia Township starting in mid to late June as the Metropolitan Sewer District of Greater Cincinnati (MSD) installs a new sewer line. The project is expected to be completed during the summer with final restoration in the fall, pending weather and field conditions.

*Please see the attached project map.*

Muchmore Road will be closed to thru traffic between Walton Creek Road and Muchmore Close for about 60 days. Walton Creek Road, just north of Muchmore Road, will be reduced to one lane with either a flagger or temporary traffic light. Local and emergency traffic will be maintained.

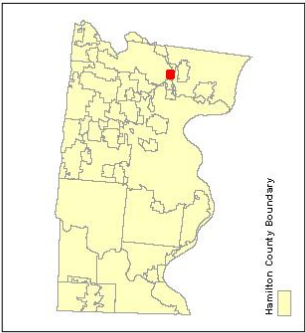

MSD's contractor, Larry Smith, Inc., will be constructing about 800 feet of 8-inch-diameter sewer line and sewer laterals to bring public sewer service to 32 condominiums, four homes, and the Mariemont Players building. The contractor will generally work 7:00 a.m. – 5:00 p.m. Monday through Thursday, with work on Fridays or the weekend as needed.

For additional information about this MSD project, please contact MSD Customer Service at (513) 244-1300 (option 5) or [MSD.Communications@cincinnati-oh.gov](mailto:MSD.Communications@cincinnati-oh.gov) and reference Project ID# 10370060.
