Portion of Ohio River Trail to Close November 30 – December 4 for Repaving

CINCINNATI – A short section of the Ohio River Trail, adjacent to the Little Miami Wastewater Treatment Plant in the East End, will be closed on Monday, November 30, through the morning of Friday, December 4, for repaving and removal of a gravel detour path.

The trail closure is between Wilmer Avenue and Carrel Street. Visitors to the trail will be detoured via Airport Road; detour signage will be posted. *Please see the attached location & detour map*.

The Metropolitan Sewer District of Greater Cincinnati (MSD) is finishing up installation of a new storm sewer from the Little Miami plant site to a manhole adjacent to the Ohio River Trail, as part of the ongoing Little Miami WWTP Solids Disposal with Odor Control project (anaerobic digestion facility).

For additional information, please visit the project webpage at **msdgc.org/Digester** or contact MSD Customer Service at (513) 244-1300 (option 5) or MSD.Communications@cincinnati-oh.gov and reference Project ID# 10281100.
