Notice of Construction and Traffic Alert for Delhi Township

*East end of Upper Road Closed to Traffic
for up to 3 weeks starting Monday, December 15*

CINCINNATI – The east end of Upper Road in Delhi Township will be closed to traffic for up to three weeks starting Monday, December 15, pending weather.

The Metropolitan Sewer District of Greater Cincinnati (MSD) is installing a new sanitary sewer and lateral sewer stubs for two homes on Upper Road, which will allow them to connect to the MSD public sewer system. The project is expected to be completed by early summer 2026.

The east end of Upper Road will be closed to traffic between 9:00 a.m. and 5:00 p.m. Monday through Friday. The road will be open each evening, all day on the weekend (unless work is needed), and on Christmas and New Years Day. Local access to homes will be maintained, but there could be delays. Residents are encouraged to access their homes via the west end of Upper Road.

Please see the attached road closure map.

MSD's contractor is Empire Excavation, LLC, and they will generally work 7:00 a.m. – 5:00 p.m. Monday through Friday, with work on the weekend if needed.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt, and vibrations should be expected.

For additional information about this project, please contact MSD Customer Service at (513) 244-1300 (option 5) or MSD.Communications@cincinnati-oh.gov and reference Project ID# 10330037.
