Notice of Construction for South Fairmount

CINCINNATI – The Metropolitan Sewer District of Greater Cincinnati (MSD) will begin replacing deteriorated sewers off Wahl Terrace in South Fairmount in early July. The project is scheduled to be completed by spring 2025, pending weather and field conditions.

Please see the attached project map.

During construction, on-site parking will **not** be allowed along Wahl Terrace or the northern portion of Homestead Place.

MSD's contractor, SmithCorp Inc., will generally be working from 7:00 a.m. to 6:00 p.m. Monday through Thursday. Work on Fridays or over the weekend may be needed. SmithCorp will replace about 1,200 feet of deteriorated sewer pipe via open cut construction or pipe bursting.

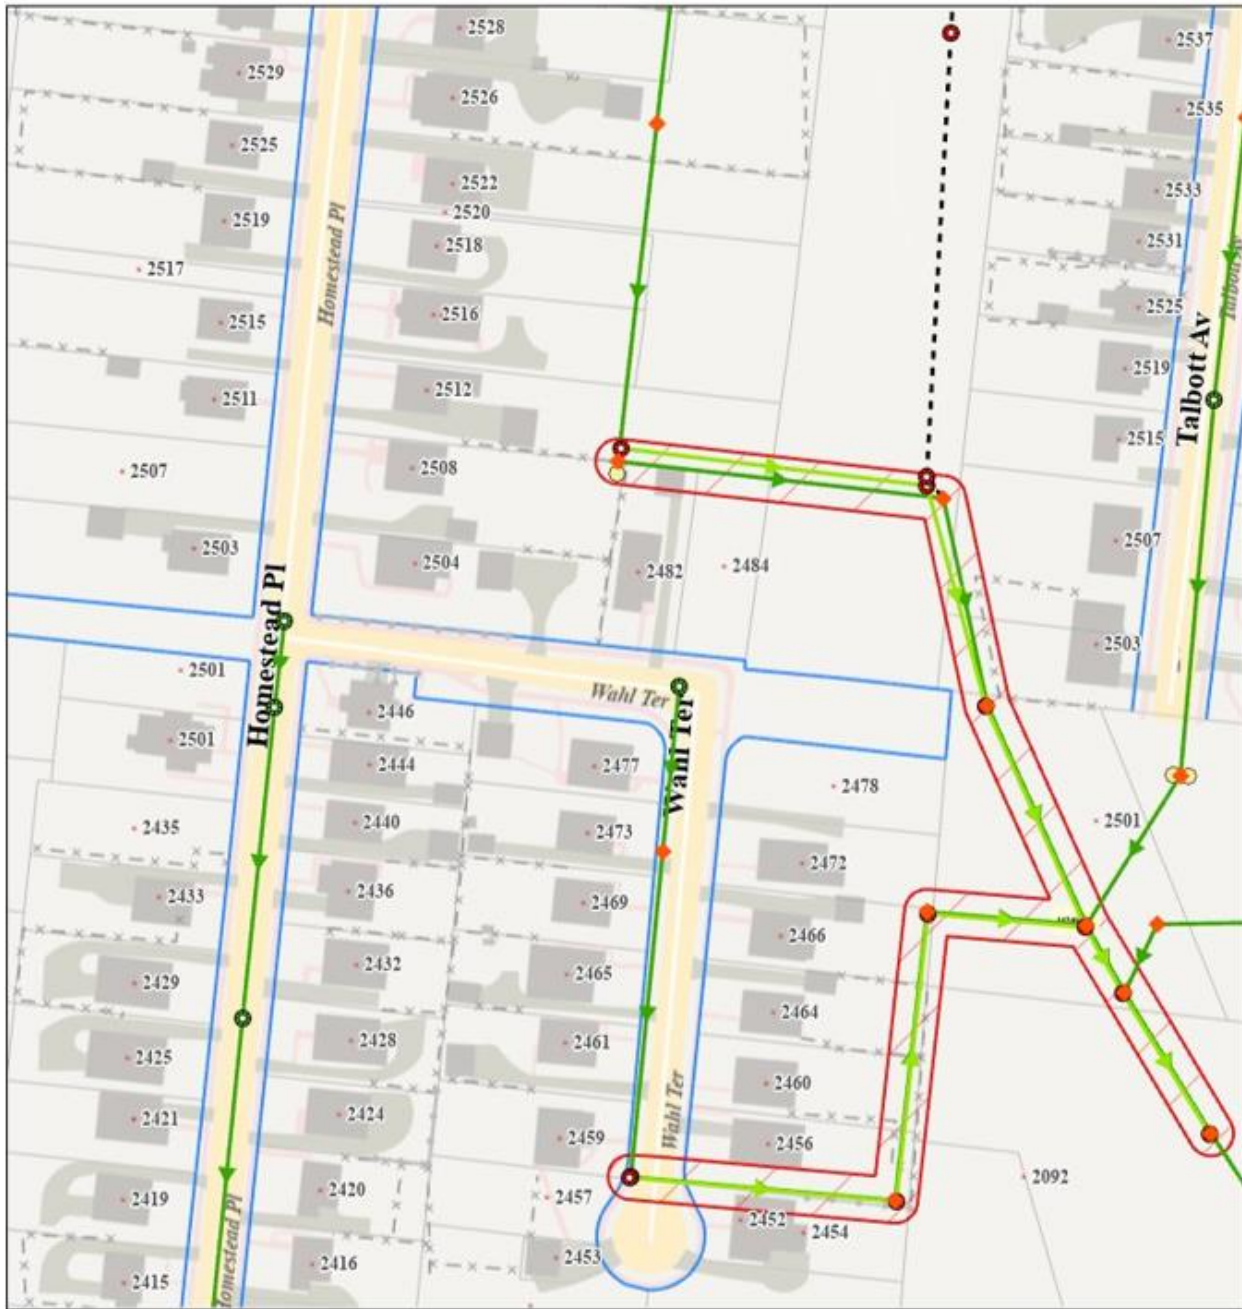

Typical construction-related disturbances such as noise, dirt, and vibrations should be expected during this project. If a planned interruption of utility service is necessary, you will receive notification prior to the interruption.

For additional information about the MSD project, please contact MSD Customer Service at (513) 244-1300 (option 5) or MSD.Communications@cincinnati-oh.gov.
