Traffic Alert for Green Township

Traffic impacts on Sharlene Court and Charity Drive through Fall 2024

CINCINNATI – Traffic impacts will occur on Charity Drive and Sharlene Court in Green Township beginning this week through fall 2024, pending weather and field conditions. The Metropolitan Sewer District of Greater Cincinnati (MSD) is installing a new sanitary sewer south from 6310 Charity Drive and then along a section of Sharlene Court.

Please see the attached project map.

During construction, Charity Drive, between Mirror Lane and Greenmount Drive, and Sharlene Court, between Greenmount Drive and Werkridge Drive, will be closed to thru traffic. Local residential access will be maintained, but there could be delays. Please plan accordingly.

MSD's contractor, SmithCorp, Inc., will be installing about 1,095 feet of 12-inch-diameter sewer pipe and eight new manholes. This project will eliminate the Westport Village pump station adjacent to 6310 Charity Drive, which has experienced overflows. The associated force main along Charity Drive will be sealed and abandoned in place.

Most of the construction work will be open cut. However, a large pit will be excavated in the vicinity of 6344 and 6348 Sharlene Court for an underground construction method known as jack and bore.

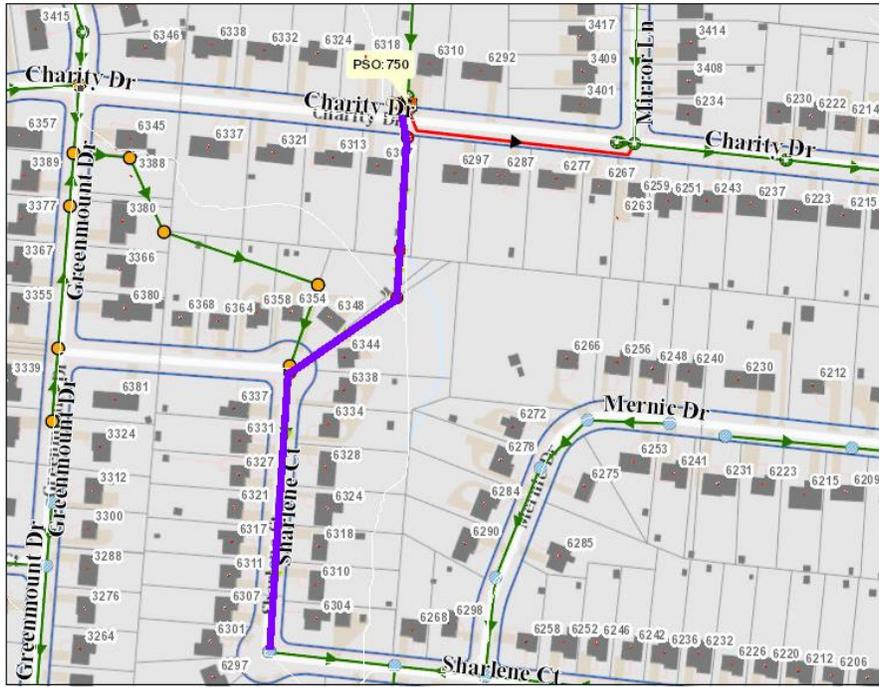

Construction work will generally take place Monday through Thursday 7:00 a.m. to 6:00 p.m., with work on Fridays and weekends if needed.

In addition to traffic inconveniences, typical construction-related disturbances such as noise, dirt and vibrations should be expected throughout the construction period.

For additional information about the MSD project, please contact MSD Customer Service at (513) 244-1300 (Option #5) or MSD.Communications@cincinnati-oh.gov.
