 Finding of No Significant Impact

To Whom it May Concern,

On July 1, 2025, Ohio EPA issued a preliminary Finding of No Significant Impact (FNSI) and Environmental Assessment for the Board of County Commissioners of Hamilton County, Ohio Locust Street/Muchmore Road Local Sewer project for public review and comment. The thirty-day period for comments has passed and no comments have been received. Therefore, the conclusions contained in that preliminary FNSI become the basis for this final FNSI for the above referenced project.

This final Finding of No Significant Impact may be revised or rescinded at a future date based upon either changes to the proposed project, the presentation of information which significantly alters earlier conclusions, or failure of the applicant to perform the environmental mitigation prescribed in the Environmental Assessment.

Sincerely,

Kathleen Courtright, Assistant Chief
Division of Environmental & Financial Assistance
