      Finding of No Significant Impact

Dear Mr. Aluotto:

On May 20, 2024, Ohio EPA issued a preliminary Finding of No Significant Impact (FNSI) and Environmental Assessment for the Board of County Commissioners of Hamilton County, Ohio Dry Run Area Sewers Phase 2 project for public review and comment. The thirty-day period for comments has passed and no comments have been received. Therefore, the conclusions contained in that preliminary FNSI become the basis for this final FNSI for the above referenced project.

This final Finding of No Significant Impact may be revised or rescinded at a future date based upon either changes to the proposed project, the presentation of information which significantly alters earlier conclusions, or failure of the applicant to perform the environmental mitigation prescribed in the Environmental Assessment.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Courtright".
